In my capacity as Information Owner, I authorize ADAMO S.A.S. (hereinafter ADAMO) a legally constituted commercial company, identified with NIT **9014662591-1**, with principal address in the city of Pereira, Colombia, or whoever takes its place, is its ally, represents its rights or holds its contractual position in the future, to process my Personal Data in accordance with the guidelines of Law 1581 of 2012, Law 1266 of 2008 and the other regulations that complement, modify or repeal them, in accordance with the purposes indicated below:

I. PURPOSES

1. Allow the execution of contracts or services.
2. To guarantee my registration, validation and authentication within the technological platforms operated by **ADAMO** – including ADAMO ID, PAY, SIGN and RISK – as well as the comprehensive management of the life cycle of the relationship that the entity maintains with me, from the opening of the account to the end of the contractual relationship. To do this, my identity can be verified using biometric technologies, proof of life, document scanning or technical geolocation limited to access control.
3. Provide technical support, process payments, issue invoices, manage the attention of requests or claims, and internally administer the operation of the service offered, without this implying unauthorized advertising or analytical purposes.
4. Perform statistical analysis of my behavior for the purpose of improving the digital experience, preventing fraud, evaluating the performance of platforms, strengthening cybersecurity controls, or monitoring potential operational incidents.
5. To keep certain information after the relationship has ended, only for purposes compatible with those initially authorised, such as traceability, auditing or contact in the event of future events that may be of interest to me and that are related to the previously existing link.
6. The sending of advertising messages, newsletters, invitations to commercial events, loyalty surveys or promotions by electronic means.

7. To share my data with strategic partners who offer products related to alternative financing, digital services or personalized benefits.
8. To develop commercial or analytical profiling.
9. **For regulatory compliance and risk management, including check-ins against restrictive lists, PEPs, sanctions and AML/CFT controls, as well as identity validation, authentication, and fraud prevention and management**
10. To keep my data in accordance with the deadlines established by accounting and tax regulations.
11. To respond to requirements of administrative or judicial authorities, such as the Superintendence of Industry and Commerce or the DIAN, and the preparation of reports before inspection, surveillance or risk center bodies, in accordance with the provisions of Law 1266 of 2008.
12. To share my personal data with third parties in their capacity as Data Processors or Data Controllers. This includes the transmission of information to technology providers that provide processing, authentication, storage or technical support services on behalf of ADAMO, within or outside the national territory, under contractual clauses that guarantee the protection and confidentiality of the information.
13. To carry out the transfer of data to third party Controllers acting independently, provided that the receiving country offers adequate levels of protection, or valid legal mechanisms are used to ensure the legality of such transfer, in accordance with Article 26 of Law 1581 of 2012.

II. TREATMENT

In addition, I understand that the processing to which my data is subjected is as follows:

1. **Collection of personal data:** My personal data may be collected through:

to. Contractual and administrative channels:

- Physical or digital linking or registration forms;

- Phone calls;
- Documentation delivered at events or touchpoints.

d. Indirect channels:

- Transmissions or transfers made by Customers in the B2B model;
- Information received from third-party partners based on valid legal agreements.

2. Use: My personal data may be subject to operations such as:

- Consultation, editing or verification;
- Technical or statistical analysis and consolidation;
- Internal routing to responsible areas;
- Integration into internal management systems; and
- The other contents for the purposes mentioned in this document.

3. Storage: My personal data will be stored at:

- ADAMO's own technological infrastructure, or
- Cloud storage services contracted with providers that offer reasonable security and confidentiality measures.

I know that access to my information is restricted through the use of protected credentials, permission segmentation, session control, and other authentication and traceability mechanisms. I know that ADAMO implements reasonable technical, administrative, and organizational security measures to protect the integrity and confidentiality of my personal data, in accordance with the security principle established in Law 1581 of 2012.

The retention of my data will be subject to the validity of the contract signed with me. Once the term has expired, ADAMO will comply with the process of deleting my personal data collected.

4. Circulation: I understand that ADAMO may:

- **To transmit** my personal data to third parties acting as Processors, within the framework of contractual relationships regulated by specific clauses or transmission contracts in accordance with Decree 1377 of 2013;
- **Transfer** my personal data to third parties located in Colombia or abroad, provided that there is express authorization from the Owner or that any of the exceptions provided for in the law are configured.

In no event will transmissions or transfers be made that are not supported by a valid contractual agreement, or that compromise the security and confidentiality of my information.

5. Deletion: The deletion of my personal data will be carried out when:

- The purpose that gave rise to the processing is exhausted;
- I request it and there is no legal or contractual duty of conservation;
- The term of the contract entered into expires, exceeds the legal or regulatory term for document conservation.

The deletion may be total or partial, and will be carried out by means of secure mechanisms that prevent the subsequent recovery of the information.

III. RIGHTS

It is clear to me that the rights that assist me as the owner of my personal data are: (i) the right of access to your personal data, (ii) the right to know, update and rectify your personal data, (iii) the right to request proof of the authorization granted, (iv) the right to revoke the authorization and/or request the deletion of the data, (v) the right to file complaints with the Superintendence of Industry and Commerce, (vi) in general, all the rights established in Article 8 of Law 1581 of 2012.
